OUR TOWN

"I will lift mine eyes unto the hills, from whence cometh my help."

## *Foreword*

As we, the class of 1964, leave Grafton High School forever to go our separate ways, we pause to remember the wonderful experiences which we have shared. As we recall the events of these very important years, we see again our beloved three-in-one town with its tall trees and dusty country roads, its hills and quiet valleys, its new homes and budding industries. These scenes of childhood, along with our teachers and friends, now belong to the past.

We know not what the future holds, but we face the unknown with calm, sure faith and the abiding conviction that our high school education has prepared us to follow wherever our paths may lead. And always, when things go wrong, we will look again on these ageless hills, from whence cometh our help.

# *Dedication*

A simple statement of admiration,  
A thought, a meaning; a dedication.  
To one who through the past four years  
Has shared with us our joys, our tears.  
Her patience is ever-enduring,  
Her advice—helpful and reassuring.  
The past bears from her the memories  
Of English grammar and Socrates.  
The present renders her work with us;  
Her faithful service to this our *Compass*.  
And so, with deepest gratitude and profound  
veneration,  
We, the class of 1964, do give this *Compass* dedication  
To MISS MARY T. MINER.

# Principal's Message

GRAFTON MEMORIAL JUNIOR-SENIOR HIGH SCHOOL  
GRAFTON, MASSACHUSETTS  
TELEPHONE VERNON 9-2100

Dear Students:

As you complete this year, four "high spots" of your year have profited by your explorations, participations, and experiences. You will keep all these school experiences vividly before you for they represent a large facet of your life. The collection of these "high spots" come as a result of your own efforts. The collection of these "high spots" constitute the value of "hope" as you take your place in the new year. Remember that it takes the effort of "hope" to bring about a new year. You can't have it. It is our hope that you will be the best of yourselves, aware of the course of "hope" and stand in a position to bring about a new year you have learned to be.

Your efforts on behalf of Grafton Junior-Senior High School and the community will make our community and nation a better place for the new year. May I extend to all members of the staff of this school for a successful and bright future.

Sincerely,  
Walden P. Lyka  
Principal

## *Remember*

This is a time of treasured memories as well as of future promises. These memories will be reviewed more frequently as graduation approaches. You must remember:

Freshman Initiation . . . When Roberta Christensen was scared by a rubber snake . . . When Gerry Fleming made a basket for the opposite team . . . When Danny Zanauskas was missing from a class trip . . . When Dennis Alakoski was carried in as a corpse in Freshman English . . . When Ken Posterro wore an "I am a dope" sign in Mr. Egsegian's geometry class . . . When Bonnie French got detention for barking . . . When Janice Cross tried to bite A. C. Davison . . . the beach parties on the last day of school . . . When Rosie LaDuke and Skip Murphy ate at the Night Owl after the Senior Ball . . . Henry Breault and his famous "Boo-Hoo" . . . When Dennis Webber's car got stuck at Roberta's house after a dance . . . the pep rallies before the football games . . . When Jimmy Bergenholtz ripped his pants in homeroom . . . When Donna White, Cathy Kelly and Jacquie Ahlquist got detention for singing the French National Anthem in the corridor . . . When Mr. Z. went into the pond . . . "There's a Meetin' Here Tonight" and B.T. . . . the water fight after the car wash . . . When Liz Burn's pocketbook caught on fire in the lab . . . Mike Wenc and P.J.P. . . . Rollie Maranda's dance after the Uxbridge football game . . . the Big "T" song by Robert Blanding . . . Yes, these memories are ours—we'll always remember!
